## The Parties

1. The Plaintiff Vernon S Rivet has a P.O. Box 69, N. Billerica Ma. 01862-0069
2. The Defendants the Above mention Failed in thier duties in Middlesex County.
3. The Plaintiff is a Environmentalist and could not do a cleanup of Parcel 13+14 of Plate 5 in N. Billerica Ma. I tried to recieve help and was not. I was very much hindered by there actions. I belive an act of priacy when I could not access property From Aug 98 - Oct 1001 3rd week there of. By Town of Billerica

## Description of Controversies

4. This action concerns past, present, and anticipated future conduct of Defendants in violation of Plaintiff's rights to peaceful possession and occupation of Town Farm Lane N. Billerica. The Town of Billerica wants to hire someone to cleanup property that's not there's. And let's Neighbor Jack's Used Auto Tresspass and dump debris on property. Also the taking of Timber. Which I escorted one Steve Olney the TAX MAN of N. Chalmersford, Ma 01863-0942  
Address: Accuplus Financial Svcs, INC.  
17A Dunstable Rd P.O. Box 942  
And Steve Olney could not believe his eyes what he was seeing being dumped on Parcel 14 on Town Farm Lane. He stated you said it was bad, but I didn't think it was this bad.

5. Steve Olney said the solution too this problem of all this dumped debris would to make it into a road for access for the Power Co. that wants to Rent Lot 13. Take debris from this lot

Now Along Comes Probate Court and two Sisters Patricia Travaglia and Deborah L. Rivet, Who destroyed my father Will. So now appointed Commissioner by the State of Massachusetts wants to reevaluate the land its a dump site and Wetlands.

It's perfect place for the Power Co. The 24" Main Tennessee Gas line is there and the Power line there This whole Lower Court System I feel is preventing this from happening.

6. But they will not let me cleanup the mess. I did not create the mess and I am being prosecuted and punished above measure. That this measure is unconstitutional and unnecessary.

7 I have suffered Loss of Business because Town will not let me do the work. For a lot of years.

Mental and Emotional suffering Loss of Family, Alienation of Customers as Friends, and Immediate Family. And Fear of life liberty to the Pursuit of Happiness Which I should be granted

by the powers that being the  
Constitution of the United States.

Please excuse For Mental Disability  
by court action against me. The Forsetful  
"Rogers Act" which made me take the  
Drug Zyprexa. Has made it difficult  
to think this out. Thoroughly.

While most Federal crimes carry a Five year Statute of Limitations, R.I.C.O. gives prosecutors more leeway by allowing them to reach back decades in some cases, to charge those involved in a pattern of Illegal activity. The LAW, used most often against organized crime figures, requires that at least one crime occurred within the past 5 years. Then prosecutors may reach back another 10 years from the date of that crime to bring additional Charges.
